The Board noted that these items would be discussed further during the joint Finance Committee discussion. Kangas also spoke to the article to change the Clerk to an appointed position; suggesting that preference should be given to a qualified Boxborough resident when hiring.

Annual Town Meeting/ Election Preparations - Joint Meeting with Finance Committee

Finance Committee Chair, Gary Kushner, called the Finance Committee to order. Present were Chair Kushner; members - Keith Lyons; Becky Neville; and Ling Chen; along with Town Accountant, Jennifer Barrett.

- There was discussion of the two Elections re-scheduled to Tuesday, June 2nd. Town Clerk Markiewicz advised that holding COVID-19 social distancing practices have required changes to her normal election procedures. She has re-located these Elections to the Blanchard School Gym and is working to determine what will be necessary to address health/sanitary concerns.
 - Member Bak moved to notify residents of the Annual Town Election to be held on Tuesday, the second day of June, 2020, from 7:00 A.M. to 8:00 P.M. at the Blanchard Memorial School Gym, 493 Massachusetts Avenue, Boxborough, MA 01719, for the following purpose: To cast their votes in the Annual Town Election for candidate for the following offices: Select Board, 3-year term 2 seats; Library Trustees, 3-year term, 2 seats; School Committee, 3-year term, 2 seats; Board of Health, 3-year term, 1 seat; Planning Board, 3-year term, 2 seats; Planning Board, 2-year term, 1 seat; Moderator, 1-year term, 1 seat. Seconded by Member Stemple. **Approved: 5-0** by Roll Call Stemple "aye," Bak "aye," Fox "aye," Fowlks "aye," and Neyland "aye." The motion was made and seconded and then a friendly amendment was suggested by Clerk Markiewicz which was accepted as moved and seconded.
 - Member Fowlks moved to notify residents of the Special State Election for the office of the Representative in General Court, Thirty-seventh Middlesex District, to be held at Blanchard Memorial School Gym, 493 Massachusetts Avenue, Boxborough, MA

01719, on Tuesday, the second day of June, 2020, from 7:00 A.M. to 8:00 P.M. Seconded by Member Stemple. **Approved: 5-0** by Roll Call Stemple "aye," Bak "aye," Fox "aye," Fowlks "aye," and Neyland "aye."

- Clerk Markiewicz spoke to an item just recently added to this agenda, concerning encouraging absentee/early voting for the Elections of June 2nd. There has been interest about preemptively mailing out ballots; but, State law does not allow this. We are, however, allowed to send absentee/early voting applications to all registered voters. She related how she would manage this mailing and the cost involved in this effort (\approx \$1.00 per household). The consensus of the Select Board was this was sensible to protect our residents and supported the Clerk's efforts. Markiewicz noted that she does not have the funds for this so she has drafted a Reserve Fund Transfer Request (RFT). The Finance Committee provided input as to the appropriate amount to cover the anticipated costs. This RFT is on the FinCom's agenda for Thursday night. As this is an effort to encourage social distancing, this may be a COVID-19 this should be a reimbursable expense. It was suggested that Reverse 911 call could be used to get the word about absentee/early voting. Clerk Markiewicz clarified that the Polling location will be fully staffed and opened for the times that the Select Board just voted for those that still want to come in and vote. Member Fowlks moved to recommend that the Boxborough Finance Committee consider, upon the recommendation of the Town Clerk, to allocate \$3,000 from the Reserve Fund (Reserve Fund 132 - Account #001-132-5960-0000) to the Election and Registrars Budget-162 (Election and Registrars Printing Services - Account #001-162-5317-0000) for the purpose of mailing absentee/early voting applications to all registered voters in Boxborough for the June 2, 2020 Special State Election and Annual Town Election. Seconded by Member Stemple. **Approved: 5-0** by Roll Call Bak "aye," Stemple "aye," Fox "aye," Fowlks "aye," and Neyland "aye."

Minutes

- Member Fowlks moved to approve the regular session minutes of March 30, 2020, as amended. Seconded by Member Stemple. **Approved: 5-0** by Roll Call Bak "aye," Stemple "aye," Fox "aye," Fowlks "aye," and Neyland "aye."

FY 2021 Budget /Annual Town Meeting/ Election Preparations - Joint Meeting with Finance Committee (Continued)

- Discussion opened on the FY 2021 Budget. There have been significant changes to budgets – including the suspension of CPIU increase of 2.6% until January. Accountant Barrett reviewed some of the various revisions – e.g. salaries; consulting; conference; debt expenses and salary lines. There was discussion as to the upcoming 2020 Flerra Playground program and the financial impact. With the reductions, to these non-fixed costs, the proposed FY 21 Budget that the FinCom will be presenting has been reduced to \$22,250, 815.00. TA Ferrara related his discussions, today, with ABRSD Supt. Light regarding the District's FY 21 budget, which they are still reviewing. Supt. Light has a real concern about those unanticipated expenses that will be necessary to ensure social distancing for the safety of students and personnel; including decreasing class sizes when they return in September. There was discussion on the status of the District's E&D funds and the maximum levy in Acton. We don't know what this will look like in September but the District needs to understand that every little bit helps. Kushner spoke to the School Fiscal Review Comm.'s efforts. With so many unknowns, they do not have defined number. District is hoping to provide more clarity by Town Meeting. Acton still needs to set a new Town Meeting date.
- There was a review of the updates on 2020 Town Meeting - Articles; Recommendations; Ordering of warrant and Scheduling. TA Ferrara thanked Barrett and Fallon for all of their work in developing this warrant. The intention was to make these articles as concise and transparent as possible in an effort to keep ATM to two nights. He reviewed the index as to ordering/structure (consent)/funding sources. There were some revisions since the version distributed on Friday. TA Ferrara identified several articles that were previously in the Consent Agenda, but had been pulled out and placed at the front of the warrant. There was a review of the structure presented. BSB Chair Neyland spoke to the joint letter at the front of warrant that she and FinCom Chair Kushner drafted. TA Ferrara discussed the relocation of the ATM and Elections noted in the front of the warrant. There was a review of some minor revisions to some recommendations. Articles that needed further discussion were called out by the participants
 - Article 3 – Elected Officials Salaries – Kushner reported that he had communicated with the effective Boards on the proposal to forego salaries in FY 21. and there were no adverse responses. It was noted that the ABRSC also supports this. This saves \$6,500.00.
 - Article 4 – Personnel Plan/Schedule Amendments – recent edits reviewed and others were suggested. It was determined that only one table – 2.5% increase indicator would be included. It was noted that these increases would not occur until January 2021.
 - Article 6 & 7 – Fire Personnel/SAFER Grant – personnel has been re-identified as firefighter/EMT.
 - Article 8 – Feasibility Study – expanded scope, editorial edits and revisions to recommendations were reviewed.
 - Article #9 - Discussion was opened on the Town Clerk appointment article (#9), specifically as to the earlier Citizen concern's comment on preference for resident applicants. The participants shared their experience and public sector training as to "best practices" regarding issues with this type of qualifier; along with the impact on the candidate pool, if required. The Town did not include this preference when we converted the Tax Collector position over several years ago. It was noted that the Clerk's responsibilities have become increasingly complex, with all of the open meeting law and transparency mandates put in place by

the State. Current Clerk, Markiewicz spoke to this; she may speak at Town Meeting to not support this change; as there many residents that would be qualified. However, she noted that as an appointed position you could attract those with professional experience in this field. This would not go into effect until Markiewicz's term runs out in 2022. At that time, the hiring process would be similar to other department head position and like those other department heads they would report to the Town Administrator. It was noted that this resident preference could be included in a job posting but not in this Town Meeting article motion. Comments from Town Meeting floor will be taken under advisement if it is approved. This is outside of the Consent Agenda as there was there was one recommendation that was not unanimous.

The four consent agendas; some of the articles therein; along with the required voting thresholds for them were reviewed.

- **Financial/Authorization Consent Agenda**

- o Most of these are "housekeeping" in nature.
- o Borrowing costs –Accountant Barrett the borrowing scenarios/options that are being discussed with the Bonding consultant.
- o OPEB Trust Transfer is reduced to \$50,000.
- o The UCC Lease article language has been updated so the Select Board would now be able to approve these renewals doing forward.
- o Cable Funding – The FY 21 IMA for Cable services should be presented at the next Select Board's meeting.
- o Closing out Articles returning approximately \$110,000. Responses as to why some articles are being closed out should be prepared, if necessary. There was a side discussion as to the status of the Acton Skate Park project.
- o Language has been added to the Ch. 90 paving reimbursement that speaks to the decision made to refrain from having the supplemental paving article that we've had the past few years.
- o Senior Work-off amendment is to approve a proxy doing the work to receive credit.
- o The MS-4 Bylaw is a General Bylaw not a ZBA bylaw, implementing this is an EPA requirement.

- **Free Cash/Capital Consent Agenda**

No major changes here.

- **Stabilization/Capital Consent Agenda**

The funding for two capital articles - the DPW Dump Truck and 2nd Cruiser (marked) have been moved from borrowing to Stabilization. The standing cruiser replacement cycle was discussed. FinCom supports the rationale for a 2nd cruiser in FY 21.

- **CPA Consent Agenda**

There is nothing controversial in the CPA Articles #29-35.

The two remaining CPA articles – Hager Bridge project and the Conservation Trust Transfer did not receive unanimous recommendations so they are outside of Consent.

- **Planning Consent Agenda**

- o Consists of the ZBA Bylaw articles. It was agreed that the recommendations provided by Economic Development Comm. can be added. The article redistricting the Priest Lane parcel was part of the Town Center settlement agreement.
- o The proposed Lighting Bylaw Article did not receive FinCom's unanimous approval.
- o Citizen's Petition –The Moderator has worked very hard with the Petitioner. Moderator Fallon reviewed his efforts and provided an update of her intentions, including possibly passing over this at Town Meeting to further refine this proposal. This is the last article.
- FinCom report, in the back, was reviewed. The ABRSD statement submitted prior to the lockdown, by Supt. Light may not be included as circumstances have changed significantly since then. The warrant should now be complete, with a few exceptions. TA Ferrara requested that the Board's vote be qualified to allow for revisions based on Town Counsel's review and any administrative changes that may be identified.
- Member Fowlks moved to reschedule Boxborough's Annual Town Meeting to June 22, 2020. Seconded by Member Stemple. **Approved: 5-0 by** Roll Call Bak "aye," Stemple "aye," Fox "aye," Fowlks "aye," and Neyland "aye."
- Member Fowlks moved to approve 2020 Annual Town Meeting Warrant of April 27, 2020, as presented and as possibly amended for administrative changes. Seconded by Member Stemple. **Approved: 5-0 by** Roll Call Bak "aye," Stemple "aye," Fox "aye," Fowlks "aye," and Neyland "aye." The Board expressed their appreciation to the staff members for this work during a difficult time.

There was discussion of Resident outreach efforts: The Town is receiving positive feedback for the changes to Town Meeting being implemented. The new date and location will be announced using a Reverse 911 and circulated on social media. Moderator Fallon and Chair Neyland will be submitting a Beacon Guest Editorial.

- Town Meeting Preparations: Pre-Town Meeting Forum - Re-scheduled to May 12, 2020. Social distancing and required PPE logistics are being worked on. We need to rethink everything, including the layout in the different venue. Dolak provided input as to the broadcast equipment that may be available. TA Ferrara noted that the Regency is allowing us use of the Parade Room for two nights, at no charge. However, the Town will have to pay for any technical support/infrastructure that the hotel provides. This is going to require a lot of coordination and communication. The June 3rd presentation submission deadline will not change, even with the new June 22nd schedule.

Finance Committee adjourned their meeting at 8:49 PM

Personnel Updates - TA Ferrara

- Though the Assistant Town Administrator and Building Dept. Support positions are vacant, he has put hiring on hold until October. He will make a determination at that time, if a further delay is necessary.
- However, two public safety dispatchers were retiring and those positions had to be filled. After advertising, Chiefs Ryder and Fillebrown were able to interview candidates via Zoom, and offers have been made.

General Business

- TA Ferrara provided an update on the Route 111/Massachusetts Avenue Sidewalk Project; the regular construction concerns are further complicated by COVID-19 issues. They are meeting on Thursday with MassDoT to discuss. The Order of Taking presented tonight is different from the previous Order of Taking; this is for construction purposes only. Select Board & Town Administrator's reports/updates

- Member Bak reported that:
 - The Public Celebrations and Ceremonies Comm. has decided, in light of current crisis, to cancel the Memorial Day parade. They are working on posting a Memorial display on website. They also decided to defer presenting the Golden Fife and Parade Marshal this year. The intention is to award two of each in 2021.
 - The Economic Development Comm. continues to work with the UMass Amherst team. They are currently focusing on Mass. Ave. businesses. They are looking to do the charette in September. They are working on an informational flyer for Town Meeting.
- Chair Neyland reported on the School Building Comm. efforts. They are working on their upcoming MSBA submission. They had previously got a low quote on modular, but that was before the COVID 19 crisis, and other schools may be looking at acquiring them for social distancing. They are still looking at the original project start date. Though there are currently many unknown; they are still committed to staying in budget.

- TA Ferrara provided a COVID-19 Status Update: Web posting of confirmed case numbers has been reworded from “cases” to “households.” Those numbers increased over the weekend from 9 to 13. He also participates in a weekend conference with Partners Healthcare, Mayors and other Town Administrators/Managers. Currently, Gov. He asked that the Board share any resident feedback they receive with him.

At 9:29 PM, Member Fowlks moved to adjourn. Seconded by Member Bak. **Approved: 5-0** by Roll Call Bak “aye,” Stemple “aye,” Fox “aye,” Fowlks “aye,” and Neyland “aye.”

FY 2021 Budget /Annual Town Meeting/ Election Preparations

- **Resident outreach efforts, including Beacon Guest Editorial, BXB-TV Town Meeting Summary broadcast**
 - BXB-TV broadcast – This might be manageable as a ZOOM event. TA Ferrara and Moderator Fallon determined the primary focus would be on COVID-19 logistics and protocols for ATM and to a lesser point speaking to the articles. Dolak noted they are discussing a webinar format – walking people through process for that night.
 - Community outreach is essential. The Town needs to adhere to the legal processes while preserving public health and safety. Social media posting could help with this.
- **Town Meeting Preparations. [Regency Parade Room set up, Presentations, Materials, Motions...]**
 - Feedback is being received about Town Meeting and allowing remote access and/or electronic voting. It is not possible to implement either. The State is considering ZOOM allowances but only for representational Town Meetings, which we are not. Electronic voting requires a significant IT infrastructure and significant lead-time to successfully deploy (It took over a year in Acton)
 - TA Ferrara reported that he had a walk-through of the Regency’s function rooms with the Town Meeting Preparation Team and public safety personnel. He shared the proposed floor plans, for both the Parade Room (Town Meeting) and the Federal Banquet Room (Check in), that he had developed after this meeting. This layout allows for 196 voters; Staff would be watching from the on-site Emergency Response meeting room. Following the current order, all participants and attendees would be required to be masked, masks would also be available if needed. However, more research is necessary as to the legality of enforcing the mask requirement in this setting. We would also be encouraging the wearing of gloves by those handling equipment (e.g. microphones). There is discussion about having ushers to maintain social distancing and to direct voters to their seats, as we cannot allow for socializing as we have enjoyed in the past. There was general discussion about sanitary measures; audio/ broadcast /presentation equipment; and possible social distancing protocols for exiting at the end of the evening. It was suggested that voters with sight or hearing issues could be seated up front. TA Ferrara continues to work with the Town Clerk and Moderator on these concerns. There was a review of how we are proposing to manage the stakeholder motions/recommendations; seating and presenters speaking from the podium. We are looking to reducing the presentation times; specifically, the updates made at the beginning.
 - Boxborough Leadership Forum (BLF)/Pre-Town Meeting Forum - May 12, 2020 – this information will also be presented at tomorrow’s BLF/Pre-Town Meeting Forum.
 - The completed Warrant is at the printer. They are still targeting a May 22nd mailing. He is in the process of reviewing motions with Town Counsel.
 - He is also working with the Town Clerk and other stakeholders on the layout and protocols for the June 2nd Elections at the Blanchard School.

Personnel Updates - TA Ferrara

- TA Ferrara spoke to the necessity for the Town Collective Bargaining Units Side Letters, to address the maintaining of essential services and functions during the COVID-19 declaration of emergency. Staffing and coverage was a conversation he and the Chiefs had early on. The goal was to maintain staffing. So far, our public safety personnel remain healthy, and continue to practice the sanitary and social distancing protocols initiated. However, there was a real concern in allowing paid time off during the crisis. So, we started conversations with the Unions to provide a one-time buyback of any vacation time that they have been unable to use before the end of the fiscal year. We did not seek out this accommodation, but we felt it was the responsible thing to maintain staffing at this time; being equitable to our staff. Now that we are scaling back, as we approach the lifting of restriction, staff can now take some time off, but this still needs to be addressed. TA Ferrara advised that based on current balances, with some interdepartmental cooperation, the Town be able to cover these expenses without the need for a Reserve Fund Transfer. The outside estimated cost may be around \$75,000, but hoping it will be less; especially as this time-off restriction is being eased. Barrett reviewed some of the actuals. The Town will be including these COVID-19 related salary expenses for reimbursement, but this may be a year out. We will continue to track these expenses. The focus has been in preserving public safety staffing, however, he will be discussing allowing non-union personnel to carry over their vacation time at the next Personnel Board meeting.

Select Board & Town Administrator's reports/updates

- TA Ferrara provided an update on the COVID-19 Status. We are in a better situation than some of our surrounding communities. The primary focus over the past week has been how to return to the new normal. On May 18th, Gov. Baker will be outlining a 4-step process to do this. He is continuing his daily response team meetings, but will be scaling this back soon. He held a staff meeting today to discuss re-opening. The Library Trustees are meeting tonight to discuss plans for the Library. DPW is looking at what to do. With Town Hall, we need to determine how to manage interactions with the public. Bldg. Inspector Herget has installed plexiglass at the counter windows. He is considering split shifts for the shared spaces. We continue to address requests on-line and will meet by appointment, while practicing social distancing. How we are going to communicate the new normal to resident as Town Hall has been a very social environment. We need to educate all during this process. There is going to require a lot more planning; physical barriers are a start. The Council on Aging will not be returning to physical interactions/events until, at least, the fall.

Reports

- Member Bak reported that Economic Development Comm. Chair Rich Guzzardi has advised that they are looking at developing a working group to discussion 1414 Mass Ave and the CISCO site.

- Chair Neyland reported that:
 - FinCom Chair Kushner is looking for an update on the Veterans Tribute project at Tuesday's BLF meeting. TA Ferrara advised that he can assist with this; noting that he is working on getting this out for bid – third time's a charm.
 - School Building Comm. activities - The Committee is pushing back on recent cost projects from the contractor that puts the project 5-7 Million over budget, and we haven't even broken ground. They are doing some value engineering on various components. They now need to also factor in the necessitated social distancing into designs. They will resolve these budgetary issues. Brolin should be able to provide further information at BLF. Member Fox asked that this information be shared with the BBC, as both projects have similar fact patterns.
- Member Fox reported that he and Chair Neyland are working to organize a BBC meeting but the members approved in March still need to be appointed and the Clerk has some process concerns. There was discussion as to electronic signature processes.

Adjourn

At 8:35PM, Member Fowlks moved to adjourn. Seconded by Member Stemple. **Approved: 5-0** by Roll Call - Bak "aye," Stemple "aye," Fowlks "aye," Fox "aye," and Neyland "aye."

Subject: [Boxborough MA] Annual Town Meeting (Sent by George Elenbaas)
Hello Board of Selectmen,

Message:

It seems to me that having an actual Town Meeting (with social distancing) is pretending that our likelihood of community transmission has diminished between May and June.

Only our efforts at social distancing have had an impact on the number of cases and therefore lowered the probability of infection.

I have to go to the store; I do not have to participate in a Town Meeting; I do not have to vote, but I want to. I think having a Town Meeting this year essentially disenfranchises a large number of citizens, not unlike the Milwaukee debacle we recently witnessed. It is patently unfair.

My suggestion is that you propose a single budget based on last year's budget in a way that supports the Town's immediate needs and is easy to explain to the voters.

Then hold an electronic (listen only) Town Meeting where this can be explained to the voters. Provide a dial-in service for those citizens who do not have computer access. Zoom offers this.

Solicit written (emailed) questions and followup with a second meeting where the most relevant questions can be answered.

Vote the budget either by mail or via normal ballot at the Town Hall. A proper way of voting by email is also possible, but I don't know whether the supporting software for generating random tokens and then checking the tokens is readily available.

This is only one suggestion for proceeding in some fair way. Whatever is decided, please do not pretend that things can be handled in an adjusted-normal fashion. That will not be possible for quite some time. Proceeding with your current plan is absolutely unfair to the voters who do not care to take unnecessary risks with Covid19. Sitting in a town meeting is not at all like a quick trip to the store.

I hope you will consider my comments seriously.
regards,
George Elenbaas

I have been working in the shopping center field and commercial real estate for over 20 years. I am currently employed with Simon Property Group as a Sr. Tenant Coordinator. My experience is in the design and construction business as it relates to interior mall build outs and exterior mall expansions.

I have been responsible for many projects throughout Massachusetts, New York and New Jersey and have extensive experience working with architects, developers, townships and tenants. My most recent project is working with tenants and construction companies developing and building a lifestyle center (exterior) with a gym, sporting goods store, dance studio and restaurants in New Jersey. I have been involved with the expansion of the Burlington Mall, Northshore Mall, Southshore Mall and many others.

I have been a resident of Boxborough for over 20 years and would certainly be interested in contributing to the design review board and feel I am very qualified to help with the future of the Town in assisting the Planning Board and any other Town departments that might need some design guidance.

If you would please let me know that you have received this and anything else I might need to do, I'd greatly appreciate it.

Thank you.

Kim Musto
